

Find your European partner for a joint EU funding application

Eurostars - a EU program for financing projects in R&D focused SMEs

September 15, 11.15 a.m. at Waterfront, Stockholm

Why should you join?

- ✓ Financial support for international innovative projects led by R&D-performing SMEs.
- ✓ Any innovative close-to-market ideas are encouraged
- ✓ Only two partners as a minimum requirement
- ✓ SME must be main applicant
- ✓ Risk sharing with partners and public money
- ✓ Two call deadlines per year
- ✓ Encouraging success rates

Program

Welcome to a workshop for European life science companies to find partners for applying to Eurostars joint funding.

Moderator: Dr Karin Aase, National Contact Point SME at Vinnova

- Presentation of the Eurostars program, Dr Elisabet Nielsen, National Contact Point EUREKA at VINNOVA
- A nordic Eurostars success story!
- Pitch presentations by 12 SMEs searching for complementary skills or technologies in a Eurostars partner

During the subsequent lunch, pitching companies will be available for additional interactions in an organized manner.

Interested in pitching?

SME:s interested in pitching during this workshop, contact eusupport@swedenbio.se

Swedish SMEs selected for a pitch: this session is eligible for Eurostars travel grants from Vinnova. For further information: vinnova.se/sv/EU-internationell-samverkan/EUREKA/Eurostars

A pre-requisite for pitching is a registration at NLSDays: nlsdays.com
